

The Palace Trust – Gift Aid

As a charity, The Palace Trust relies on support from people like you to enable us to continue to open up the Palace and beautiful gardens to members of the public for enjoyment and learning.

Every little helps us to maintain and protect this splendid medieval Palace and its grounds for future generations to enjoy.

By paying the admission price, which includes a voluntary donation, The Palace Trust can claim the tax back as part of the Government's Gift Aid Scheme*. If you choose not to pay the Gift Aid Price, please advise the admission staff and pay the price excluding the voluntary donation.

*The Palace Trust can claim back the tax from the Government (currently 28p for each £1 you give), when you pay the Gift Aid admission price, which includes a voluntary donation that is 10% more than the admission fee, so long as you pay income tax/capital gains tax in the UK at least equal to the amount The Palace Trust will claim back in the appropriate tax year. If you pay tax at the higher rate you can claim further tax relief on your self assessment tax return.

I wish The Palace Trust to treat the admission price, including the voluntary donation, that I have paid today at The Bishop's Palace and Gardens, as a Gift Aid donation, as shown on the attached till receipt.

I confirm that I am a UK taxpayer

You must pay income tax or capital gains tax in the UK, at least equal to the amount claimed back in the appropriate tax year. If you pay tax at the higher rate you can claim further tax relief on your self assessment tax form.
