

## Menu (Served 11am – 3pm)

The Bishop's Palace is run by The Palace Trust, a charity which operates with the aim of protecting the Palace and Gardens forever, for all to visit, benefit from and enjoy. The Bishop's Table supports this mission with all profits from the café going towards furthering the development of the site.

Produce used in the café is sourced as locally as possible (preferably within a 50 mile radius) and many ingredients actually come from the Community Garden on site at the Palace.
