

Siobhan Goodwin

Community Engagement Manager

Siobhan works part-time, ensuring that we have a well-trained and supported, volunteer team.

Originally from Lincolnshire, Siobhan fell in love with the West Country as a teenager and moved to Bristol 30 years ago. She began volunteering at the age of fourteen, and her passion for voluntary work has continued over the years. She has had so many incredible experiences as a volunteer, and hopes that along the way she has made a valuable contribution too.

Most of her working life has been as a Youth & Community Worker for a number of charities and when she moved to Wells she spent 5 years working for Somerset County Council at Wells Youth Centre.

You may have spotted Siobhan around Wells as, when she isn't working here at The Bishop's Palace, she runs Wells Walking Tours.
